

## Partner with us to build a Magical Bridge Playground in your community

*Magical Bridge Foundation builds the nation's most inclusive and innovative playgrounds, where people of all ages and all abilities can come and play. A Magical Bridge Playground is coming to your city, and you can help make it happen by hosting a fundraising event.*

### **GROW YOUR BUSINESS**

We promote your fundraising event through our social channels (Facebook with 5,500+ followers, Instagram 4k+ and Twitter 1k+) and rally our engaged and enthusiastic supporters to attend your event and learn more about your business.

### **LEAVE A LASTING LEGACY IN YOUR COMMUNITY**

Your business will be featured on the permanent donor wall inside the playground. Your large donor tile (with space for up to 90 characters) will leave a lasting mark of your business' positive impact in your community.

### **EVENT PARTNERSHIP NEXT STEPS**

We see local businesses as important community partners in our efforts, with your business and Magical Bridge working together to ensure each fundraising event is a great success.

“

Our fundraising event was packed! Our current students had a great time raising money for such an important cause, and the event brought in lots of new people who weren't familiar with us yet.

*-Master Chin Sonu, TaeKwon Kids, Mountain View*

## Pre-event: How we help

Provide a customized event poster to be posted in your place of business to advertise.

Social share your event through our extensive local network - receiving thousands of views.

Manage ticket sales and registrations *(on request)*.

Provide a Magical Bridge Representative to speak briefly about the foundation, the playground project, and share a short video about Magical Bridge *(on request)*.

*Please note that Magical Bridge cannot provide volunteers to staff events.*

## Post-event: How we help

Award a framed customized "Honorary Kindness Ambassador" certificate to your business.

Celebrate your gift through social channels and the Magical Bridge website.
